Summary

Instructional Design professional with over 8 years of experience designing and delivering engaging, outcomes-based training in healthcare and corporate settings. Skilled in curriculum development, eLearning creation, and learning technologies including Articulate 360, Synthesia, and Canva. Proven ability to lead training strategy, redesign content, and enhance learner performance through innovative instructional methodologies.

Education

Bachelor of Science University of Illinois at Chicago	2014
Instructional Design Certification Darryl L. Sink & Associates, Inc	2018
EPIC Certified Ambulatory	2022
Training Environment Build	2023

Experience

Senior Instructional Designer Advocate Aurora Health	2021 - Current
• Designed end-to-end learning solutions for healthcare professionals, including instructor-led, virtual, and self-paced content. • Developed interactive eLearning modules and videos using Articulate 360, Synthesia, Canva, and Snagit. • Led curriculum redesign initiatives and created training manuals, facilitator guides, and learner materials. • Delivered Train-the-Trainer programs to improve scalability and knowledge retention. • Collaborated with subject matter experts (SMEs) and stakeholders to align learning objectives with business needs. • Implemented courses within LMS and coordinated employee enrollment and scheduling.	
Senior EMR Trainer Advocate Aurora Health	2020 - 2021
• Created and facilitated EMR training programs for providers and clinical teams. • Authored engaging training documents and job aids using Snagit, SharePoint, and Microsoft Office. • Conducted needs assessments and gathered feedback to improve training delivery and effectiveness. • Supported adoption of new workflows, resulting in improved user satisfaction and reduced errors.	
Lead Education Specialist Advocate Aurora Health	2018 - 2020
• Directed onboarding and training of contact center staff and team leads across multiple locations. • Coordinated with hiring teams to streamline onboarding processes and deliver competency-based training. • Led ongoing education programs, performance coaching, and compliance-based training. • Introduced evaluation strategies to track training effectiveness and learner engagement.
